

# MARKETSCAN'S POWERFUL AWARD-WINNING SALES GENERATING PRODUCTS

## THE SALES GENERATOR PACKAGE

A fresh supply of legally compliant sales prospects of your choice for downloading whenever you need them. Take as many or as few leads as you want each time. Generous discounts, too.

## PERSONAL LIST SELECTIONS

Tailored email, postal and telemarketing list selections. Laser honed prospects based on your own selection criteria or let us guide you through making your selections.

Cleans and extends your CRM database to boost response rates. DataPro Plus™ goes even further and provides new sales leads that match the profiles of your best clients. It's easy to put DataPro™ to work – it saves money and generates new business. Talk to us and we'll show you how.

## BESPOKE CONSULTANCY

Our superior level of expertise and service is available to clients wanting a tailored solution. We have 30 years' experience working with blue-chip brands and small to medium businesses, are founder members of the Direct Marketing Association and registered with the List Warranty Register. We are a brand you can trust and we're brimming with expertise to share with you.

## ONE-TO-ONE PERSONAL SERVICE

We retain many satisfied clients who recognise the value of our advice and knowledge. Our exceptional level of support and personal service is unequalled. We can save you money and stimulate your business, so give us a call...
